

2kW Military Tactical Generator Preventative Maintenance Parts

The 2kW Military Tactical Generator is fully supported by DoD Logistic and Dewey Electronics. Our Spare and Repair group can provide parts and help you with your servicing requirements. We also provide telephone and e-mail solutions to your problems.

The technical manual for the 2kW Military Tactical Generator is available for download on our web site www.deweyelectronics.com

Additionally, we recommend the following spare parts that support the 2kW MTG for the preventative maintenance schedule called out in the technical manual. These parts are available from Dewey Electronics.

2kW MTG Preventative Maintenance Kit MEP-501A or MEP-531A
