From: Commanding Officer, Battery F, 2d Battalion, 11th Marines
To: Mr. John Dewey, Chief Executive Officer, Dewey Electronics

Subj: LETTER OF APPRECIATION

Sir, it is with great pleasure that I extend you my most gracious appreciation of the support provided by you and your staff.

Recently, Dewey Electronics was generous enough to provide much-needed material support to this Battery. Specifically, we had mechanical issues, which we were unable to resolve, with two of our generators that we require in order to provide power to our Fire Direction Center. In recent years, it has generally become difficult for us to receive effective support and acquire essential gear which our Battery requires to successfully accomplish our assigned mission. Dewey Electronics, however, is assuredly not a part of the difficulties we've faced. That is why we were so grateful when your Company was willing to provide assistance to us.

In fact, the time that your staff dedicated to assisting my Marines had a profoundly positive impact on our ability to resolve equipment issues, and dramatically increased our proficiency on maintaining and operating our generators. I would like to further extend my gratitude to the efforts of Mr. Mark Yancho. He worked over the phone providing support and suggestions on how to overcome the difficulties that we were experiencing. Once the problems were identified, Mr. Yancho took the initiative to guide us towards replacing the equipment needed to make our gear operational. Our generator technician claims that Mr. Yancho taught him a great deal about generator mechanics and troubleshooting procedures; for this we are grateful.

The energy and creativity of your personnel helped our technicians to identify and isolate the problems with our generators. Due to the efforts of you and your staff, we now have a full set of functional gear that has greatly enhanced my mission capability. Thank You!

With my utmost gratitude,

A handwritten signature in black ink, appearing to read "CHRISTOPHER R. HART".

Christopher R. Hart,
Captain, USMC
